VihaanTradelink

PRIVATE LIMITED

Is one of India's most trusted and quality-driven seafood exporting enterprises bringing the finest of India's coastal harvest to global markets with precision, safety, and consistency. Backed by a state-of-the-art processing plant, Monsoon Bounty Foods Mfg Pvt Ltd, and a full suite of international certifications, Vihaan stands as a benchmark in the Indian seafood export industry.

VISION & OBJECTIVES

Quality Assurance

Deliver premium, hygienic, and traceable seafood products that meet the most stringent international food safety standards.

Global Reach

Expand India's seafood footprint into key export markets across the EU, Asia, Middle East, and beyond with competitive pricing and reliable supply chains.

Processing Excellence:

Operate world-class processing infrastructure under HACCP, FSSAI, MPEDA, and EU compliance ensuring every batch is export-ready.

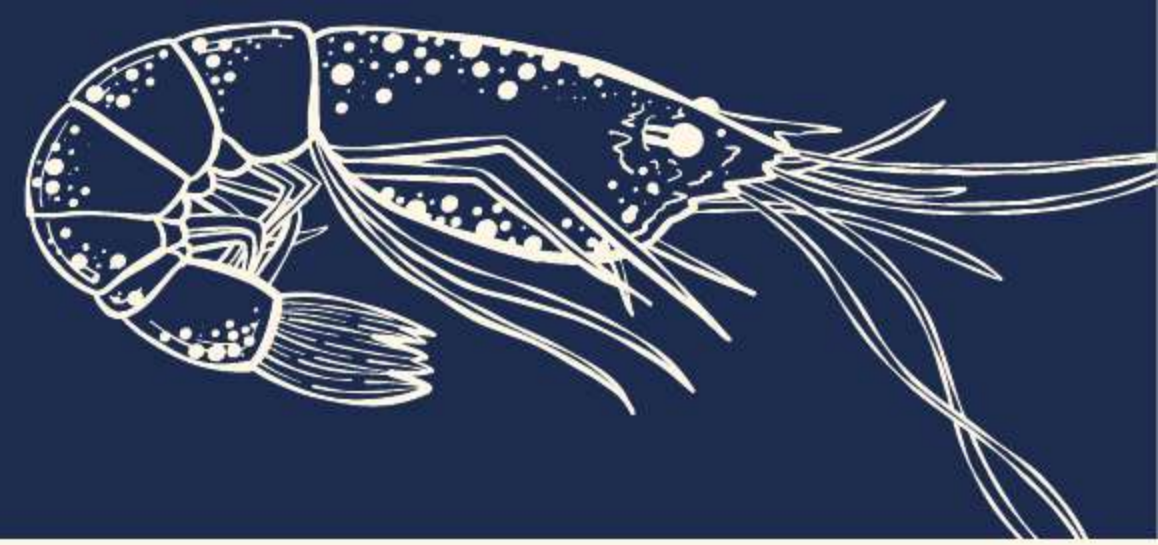

Sustainable Sourcing:

Champion responsible fishing and farming practices to ensure ecological sustainability and long-term supply security for global buyers.

WHY VIHAAN SEAFOODS?

- Multi-species expertise: Shrimp, Squid & Cuttlefish in diverse value-added forms \
- EU-approved processing facility with zero compromise on hygiene and cold chain \
- Consistent quality backed by HACCP, FSSAI, MPEDA & Export Inspection Council certifications \
- Competitive pricing with flexible IQF, Block & custom pack formats \
- High export potential catering to EU, Asian & Middle Eastern markets \

KEY HIGHLIGHTS OF Vihaan Tradelink

International Export Standards Products processed under EU, HACCP, and MPEDA norms. Fully compliant with global import requirements for Europe, Asia, and the Middle East.

Government & Regulatory Compliance Certified by the Export Inspection Council (EIC), Marine Products Export Development Authority (MPEDA), and FSSAI. All batches are fully traceable and documented.

Business, Trade & Innovation Flexible supply formats — IQF, Block Frozen, PUD, and custom packing. Ideal for food processors, FMCG brands, hotel chains, and seafood distributors worldwide.

Health & Nutrition Value Shrimp, squid, and cuttlefish are high-protein, low-fat superfoods — ideal for health-conscious global consumers and medically recommended diets.

Experience-Backed Processing Led by industry professionals with decades of seafood expertise. Deep knowledge in wild-caught and aquaculture shrimp, cephalopods, and specialty seafood.

PRODUCT CATALOGUE SHRIMP PRODUCTS

Shrimp – IQF Individually Quick Frozen shrimp. Premium grade, ideal for retail & food service. Available in multiple count sizes.

Shrimp IQF

Shrimp – Block Frozen Block frozen shrimp packs for bulk buyers and industrial processors. Economical with a long shelf life.

Shrimp Block

Shrimp PUD

Shrimp PUD (Peeled Undeined) Shell-off, tail-off shrimp. Ready for cooking. Preferred for processed food applications.

Peeled & Deveined (P&D) Premium cleaned shrimp with vein removed. High-value product for hotels, restaurants & retail.

Peeled & Deveined (P&D)

Headless Shell On / Eazypeel

Headless Shell On / Eazypeel Shell-on presentation with easy peel feature. Great for BBQ, grilling, and prawns-on-shell dishes.

Head On Shell On (HOSO) Whole shrimp with head & shell intact. Fresh appearance preferred in Asian and European markets.

CEPHALOPOD PRODUCTS

Whole Cleaned Squid Fully cleaned, tube & tentacles intact. Available IQF or block. Widely used in calamari, stir-fry & grilled dishes globally.

Whole Cleaned Squid

Whole Cleaned Squid

Whole Cleaned Cuttlefish

Whole Cleaned Cuttlefish Cleaned cuttlefish ideal for Asian cuisine and Mediterranean dishes. Available in various size grades.

BUYER & PARTNER PROFILE

- Importers & Distributors Seafood importers in the EU, Middle East & Asia looking for consistent, certified Indian seafood.
- Food Service & HORECA Hotels, restaurants, and catering companies seeking premium IQF and value-added shrimp & squid.
